Taxes

All prices include 24% VAT. In addition, a relevant electricity tax (excise and strategic stockpile fee) will be charged.

All customers are automatically a part of tax group I, unless they have otherwise informed. A customer is eligible for tax group II, if the property in question has some form of industry or professional greenhouse cultivation activity. In this case, written proof of the activity must be delivered to Forssan Verkkopalvelut Ltd.

Electricity taxes from 1.1.2015 onwards (24% VAT):

Tax group I: **2,79372 cents/kWh**

Tax group II: **0,87172 cents/kWh**
